

### FROM THE PRINCIPAL'S DESK

Hello St. Agnes Family! Thank you to everyone in our St. Agnes community for an outstanding 2018. May you all have a Blessed and Merry Christmas and a Happy New Year as we look forward to 2019!

For November/December and continuing each month, the teachers of St. Agnes will nominate two students of the month. These students have shown not only great academic effort and responsibility towards their class work, but also exhibit a great respect for our school and his/her classmates, and continue to help others be better students and citizens in our school. These students will be honored in our hallway for a month with their picture, a certificate and the pride of knowing that they have represented themselves and their school in a positive manner. Please help us to congratulate ADILYNN THIBODEAULT and NOLYN TUTTLE as students of the month.

WOW! "Elf" was outstanding. Thank you to everyone who made this production possible and for all their hard work. We are blessed to have such dedicated and hard working supporters of our students. Once again, our students excelled as they continue to meet and exceed expectations.

We have a limited number of St. Agnes apparel items available. Please call or stop by if you are interested. They make great Christmas gifts!

Super Raffle tickets are on sale. Don't miss out!

#### *Reminders:*

- ☞ Ice cream may be purchased for \$0.50 on Fridays at lunchtime.
- ☞ Box Tops and ink cartridges are still being collected for the school, and can tabs for the Ronald McDonald House.
- ☞ Please let the office know if you have someone picking up your child from latchkey that is not on their emergency card.
